

BY THE GOVERNOR OF THE STATE OF GEORGIA

A PROCLAMATION

AIRBAG RECALL REPAIR MONTH

- WHEREAS:** 250,500 vehicles in Georgia have unrepaired, recalled airbags that put drivers and passengers at risk of death and injury; and
- WHEREAS:** Georgians are at high risk because of increased heat and humidity, transforming these recalled airbags from life-saving devices to life-threatening ones, leaving local drivers and passengers more vulnerable to injury or death in a crash than others; and
- WHEREAS:** The "Check To Protect" program educates residents about defective airbags through a comprehensive approach to vehicle recall awareness; and
- WHEREAS:** Automakers notify vehicle owners of safety recalls via their addresses on file, and the Georgia Department of Public Safety notifies vehicle owners as part of their safety inspections. The "Check To Protect" campaign offers a free tool to check for recalls; and
- WHEREAS:** It is the responsibility of all who put themselves behind the wheel to make safety a priority by getting their defective airbags repaired immediately; and
- WHEREAS:** The State of Georgia urges its citizens to become aware of the inherent danger of unrepaired airbag recalls, and for drivers and passengers alike to ensure each other's safety through a commitment to recall awareness and immediate action to fix open recalls; now
- THEREFORE:** I, BRIAN P. KEMP, Governor of the State of Georgia, do hereby proclaim June 2022 as AIRBAG RECALL REPAIR MONTH in Georgia.

In witness thereof, I have hereunto set my hand and caused the Seal of the Executive Department to be affixed this 8th day of June in the year of our Lord, Two Thousand and Twenty-Two.

B. P. Kemp
GOVERNOR
